

# THE COLLEGE TUITION BENEFIT®

Financial Wellness Begins With Education

---

## FREQUENTLY ASKED QUESTIONS

### How do I sign up?

Employees may already be signed up for The College Tuition Benefit® (CTB) through an employer submitted census. The census will trigger an email from [support@sagescholars.com](mailto:support@sagescholars.com) inviting you to sign-up for the program.

Subscribers can also sign-up directly through the CTB site:

1. Go to: <https://unitedconcordia.collegetuitionbenefit.com/>
2. Click **Sign Up**.
3. Enter Company Name and Number (can begin typing the Company Name and select from a dropdown box.)
4. Enter employee Member ID, Name and Email information and click on **Verify Eligibility** to begin registration.
5. Create a unique username password.
6. Add any eligible students if available.
7. Once initial steps are completed a Welcome email will be sent from **SAGE Scholars®** inviting the employee to complete registration.

Please note that if you fail to sign-up and register a child in a timely manner, a child may lose eligibility. Participating colleges will make no exception for this situation.

### I am a new hire. How do I sign up?

Approximately 30 days after your effective date of enrollment in dental coverage, you will be able to sign-up directly through the CTB site following the above instructions.

### What if I do not have an email address or do not supply one?

An email address is required as part of the sign-up process. You may use the email address of a spouse instead of your own, if desired.

## **Where does the money come from to pay for Tuition Rewards®?**

Tuition Rewards are a guaranteed minimum discount off the full “list price” of tuition as opposed to monetary reimbursement. Participating schools have entered into a contractual agreement to reduce their tuition by the amount of Tuition Rewards points submitted. One Tuition Rewards® point = \$1 reduction in full tuition. Tuition Rewards are never provided in cash.

## **How much does it cost to join Tuition Rewards®?**

Nothing! Tuition Rewards® is always free to students and families.

## **Who can I sponsor for Tuition Rewards®?**

You can sponsor students who are part of your immediate or extended family — children, grandchildren, nieces, nephews, stepchildren and godchildren. You cannot sponsor your neighbor’s or co-worker’s children when there is no family connection. You cannot use Tuition Rewards toward your own education, or toward the education of a spouse, partner, or child who has already started 12<sup>th</sup> grade.

## **Is there any limit to the number of students I can sponsor?**

There is no limit to the number of students you can sponsor. We expect and hope you continue to register children as your family commitments grow. To do this simply log in to your account by going to <https://www.tuitionrewards.com/> and selecting Log in to Your Existing Account, click-on “Add Student” and complete the necessary information.

## **What is the maximum amount of Tuition Rewards I can use per child?**

Participating colleges honor submitted Tuition Rewards® points as a guaranteed minimum discount off the published price of tuition. Tuition Rewards® are “capped” at a maximum 25 percent discount, divided evenly over four years. Tuition Rewards may be combined with other financial aid. A handful of participating colleges are still operating under pre-2004 contracts that limit the maximum reward to \$13,800 – \$15,600. An updated college list is available online when you log in to your account.

Note there are Member Tuition Rewards and Student Tuition Rewards. Member Tuition Rewards are in your account and can be used in any amount, for any sponsored student. Student Tuition Rewards (500 points awarded at the time the student is added and individual student bonuses) can only be used by that student and are non-transferable.

---

## **What are my responsibilities?**

You must add an eligible student before August 31 of the year the student enters 12<sup>th</sup> grade.

Additionally, Member Tuition Rewards are in your name until you pledge points to a sponsored student. Tuition Rewards® must be pledged to a student before August 31 of the year the student enters 12<sup>th</sup> grade. While a sponsored student is in 11<sup>th</sup> grade, you will receive several emails reminding you to log in to your account and pledge some or all-of your Tuition Rewards® if you want to use them for that student. You must pledge these Tuition Rewards® before August 31 prior to the student entering 12<sup>th</sup> grade. After that deadline, no additional points can be pledged. If you do not take this action, the amount of Tuition Rewards® points a student can use toward participating colleges at the time of application is drastically limited.

Also shown in your account is a list of member colleges. Within 10 days of when a student sends an application to a member college(s), you must visit your account and select the college(s) to which the student has applied. This lets CTB know to notify the college(s) of the student's Tuition Rewards® points.

## **What if I pledge Tuition Rewards® and the student does not use them or does not attend a SAGE Scholars® participating college or university?**

On June 15 following 12<sup>th</sup> grade, you can go into your account, retrieve the Tuition Rewards® points and then transfer them to any other eligible sponsored student. Individual student bonus points earned are not transferable.

## **Do the participating SAGE Scholars® colleges and universities have any obligation to accept students with Tuition Rewards®?**

No. The colleges will observe their normal student acceptance policies.

## **How do Tuition Rewards® affect financial aid qualification?**

Tuition Rewards® are considered guaranteed minimum financial aid. All students are encouraged to apply for financial aid.

The following example shows how Tuition Rewards® complement financial aid. Let's say a student's family has 20,000 Tuition Rewards® points; because Tuition Rewards® are divided evenly over four years, the student has earned a guaranteed minimum discount of \$5,000 per year. The student applies for financial aid at three of our participating schools (a very common occurrence). The first school awards \$10,000 per year in total aid, the second awards \$4,000 per year, and the third awards no financial aid.

The first school has more than met its obligation of a \$5,000 per year discount. The second college will have to increase their award to at least \$5,000 per year. The third school will have to provide \$5,000 of financial aid.

### **Can an eligible student be sponsored by more than one person?**

Yes. Tuition Rewards® points can be pooled together for the same student as-long-as the student is sponsored under both accounts. Tuition Rewards® are “capped” at a maximum 25 percent discount, divided evenly over four years. Rewards may be combined with other financial aid. A handful of participating colleges are still operating under pre-2004 contracts that limit the maximum reward to \$13,800 – \$15,600. An updated college list is available online when you log in to your account.

### **What happens if I leave my current employer or I am terminated?**

If you leave employment, you will be vested in all Tuition Rewards® you have earned up to your last date of employment, and you can continue to manage your account directly through CTB. If you are then employed by another employer that offers CTB and you are eligible for the program, you can then begin, again, to earn Tuition Rewards®.

### **Who sees the names of sponsored students and how are the names used?**

CTB’s privacy statement dictates that the only people who see the names of sponsored students are the colleges. Starting when a student is in 9th grade, the colleges can view the names and may begin sending recruitment materials. The process is similar to what most families experience in 11th grade when students take the SAT or ACT. Colleges never see the amount of Tuition Rewards® a member or student has until the Tuition Rewards® are pledged in 11th grade, and then they will only see the Tuition Rewards® pledged to that student.

### **What if I can’t use my Tuition Rewards®?**

If your intended student recipient cannot use the Tuition Rewards, simply save them or let them continue to accrue and perhaps you can use them in the future with a niece, nephew, or grandchild. If that doesn’t work out, the program is free and has not cost you anything.

### **Can Tuition Rewards® be used for graduate school?**

No. Tuition Rewards® can only be used for full-time, undergraduate education, beginning with a student’s freshman year.

---

## Do Tuition Rewards® go with me into retirement? What happens if I pass away?

Yes, Tuition Rewards® go with you into retirement. You may continue to register children as family commitments grow. If you pass away, your executor can move the Tuition Rewards® into the name of a guardian for the students.

## What if I have questions about my account?

If you have any difficulty accessing your account or have any questions, you can reach The College Tuition Benefit® by phone, Monday to Friday, 8:30 a.m. to 4:30 p.m. Eastern time at (844) 244-4086, or via email to [ucdsupport@CollegeTuitionBenefit.com](mailto:ucdsupport@CollegeTuitionBenefit.com).

## Important deadlines

There are two very important deadlines that must be met for members to utilize their Tuition Rewards® Points.

1. Adding Students and Pledging Tuition Rewards®. Students must be registered **by August 31** of the year when **the student begins 12<sup>th</sup> grade**.

The last day for pledging earned Tuition Rewards® to a student is **August 31** of the year **the student begins 12<sup>th</sup> grade**. This is also the last day for a student to earn any Student Tuition Rewards® from any source.

2. Submitting Student Tuition Rewards® to participating schools. Using the college list available in your account, you must submit a Tuition Rewards® statement to any participating school(s) a registered student applies to within **ten days of the application** being submitted.
